# Bladder Health UK Corporate Sponsorship Packages

Bladder Health UK is a charity organisation that has been offering sufferers help and advice for the past twenty five years, and at present support over 3500 people with bladder conditions, as well as their families and carers.

## A promotional opportunity and a partnership

For marketers wishing to promote medications, products and services you could not be more targeted than with Bladder Health UK. As we are non-profit, you are also helping to ensure that our work can continue and by becoming a partner you help to support people with bladder conditions who really need your services and products

## Multiple ways to promote your product

This is a very specific audience of people suffering with bladder illness and related problems. Online, Bladder Health UK has **41,892 users** with **25% being returning users**, our newsletter and magazine 'Your Bladder Health' goes out three times a year and is filled with useful information which is distributed to all our members and healthcare professionals

In addition, our corporate packages incorporate social media campaigns on Twitter, Facebook and Instagram as well as opportunities at member events, webinars, exhibitions and more.

To that end, we have carefully put together a set of flexible sponsorship packages that are designed to give you the most favourable return on your advertising spend.

### **Our Mission statement**

• To help people live positively with bladder illness through the provision of personalised support and care.

## Who we are

Bladder Health UK is the largest bladder patient support charity in the UK. We exist to support people suffering from cystitis, painful bladder syndrome/interstitial cystitis, overactive bladder and continence issues, and ensure that they, their families and carers are also better informed about these conditions.

We have developed a range of resources based on our extensive experience working with sufferers that can really help improve life.
